

HOTEL KILKENNY

Hotel Kilkenny is committed to protecting and respecting your privacy. The privacy and confidentiality of personal information is important, and we are committed to maintaining the privacy and security of your personal information. This policy sets out the basis on which any personal data we collect from you or you provide to us, will be processed by us. Please read the following carefully to understand our views and practices regarding your personal data and how we will treat it. As Data Controllers under the Data Protection Act 1988 we fully endorse and adhere to the principles of the Irish Data Protection legislation and will ensure that we:

- Obtain and process information fairly.
- Keep information only for one or more specified, explicit and lawful purpose.
- Use and disclose information only in ways compatible with these purposes.
- Keep information safe and secure.
- Keep information accurate, complete and up to date.
- Ensure that information is adequate, relevant and not excessive.
- Retain information for no longer than is necessary for the specified purpose or purposes.
- Give a copy of personal data to the individual from whom it was taken upon written request.

Our Privacy Statement is a legal requirement underpinned by three distinct pieces of legislation:

- The Data Protection Acts 1988 & 2003 ("The Acts")
- Statutory Instrument Number 336 of 2011 European Communities (Electronic Communications Networks and Services) (Privacy and Electronic Communications) Regulations 2011 ("SI 336/2011")
- EU General Data Protection Regulation 2016 ("GDPR")

We reserve the right to amend this Privacy Statement at any time and from time to time without notice by publishing a new version on our website. Please refer to the top of this document to see date of the latest version in force.

CONSENT

By using our website and voluntarily providing any personal data to us through booking or browsing, you confirm that you agree to and consent to the terms of this Privacy Statement on your behalf and on behalf of

others you are representing including but not limited to organisations and whose information you submit and including the collection and use of information, to the extent that your consent is required by any applicable law. Continued access and use of the Site without acceptance of the terms of this Privacy Statement relieves us from responsibility to the user.

This is the privacy policy of Hotel Kilkenny. Our registered office is Coote's Lane, College Road, Kilkenny. If you have any questions about our privacy policy, about how we process your personal data or have any complaints, please contact us at atdata@griffingroup.ie

PURPOSE

Information we collect on the website may be used for the following purposes:

- To operate and provide the search, booking, accounts, review, forums and other services, facilities and functions of our websites. This includes managing any accounts or registrations you may have with our websites and making changes to your settings and profile at your request.
- To provide information to you about our website, systems and services, including to respond to booking enquiries and searches, and to keep you updated generally.
- To enable you to make bookings, and to fulfil, provide, perform, administer, manage, and enforce all bookings, orders, and other contracts which relate to you (including if you are a guest in a booking made by someone else), and to process any transactions authorised or made with us which relate to you.
- To collect and make payments due and administer our accounts.
- To communicate with you concerning any enquiries, bookings, services provided, problems and complaints, and to respond to any submissions, enquiries or requests from you. (Services Provided : Accommodation, Gym, Spa, Leisure, Retail, Restaurant, bar or other food related services)
- To keep internal records and maintain reasonable archives, including concerning as to enquiries, bookings, contracts, services, and complaints.
- To analyse, audit, provide, operate, administer, maintain and improve our business, website, systems, and services; to carry out surveys and analyse the results; to run promotions and competitions; to assist us in and help us to improve our sales, advertising and marketing processes; and to provide training to our staff, sub-contractors and suppliers. For

example, we may use your personal data to help us profile how our customers generally are using our websites and booking services with (or through) us. We may also use this information to ascertain interests so that we can better tailor our business offerings.

- To carry out direct marketing to you that you have consented to. We do not use or disclose your personal data for direct marketing purposes unless we have obtained your consent to this through an opt-in tick box on any form or website of ours.

To report aggregate information concerning usage of our websites.

We normally create

anonymous statistical data about browsing actions and patterns, and do not identify any individual.

For any purpose which we have obtained your consent to.

DISCLOSURE

We may share your personal data with third parties in the following circumstances:

- We may disclose your personal data to third parties (including intermediaries) as necessary to carry out any checks concerning you or enforce any booking or contract with you (including credit, security, fraud and identity checks). This may include credit reference agencies and other companies for use in credit decisions, for fraud prevention and to pursue debtors.

- We disclose your personal data to third parties (including intermediaries) as necessary to deal with any booking enquiry being made by or for you, to make any booking requested by or for you, to perform and administer any booking for you or other contract with or in respect of you. Such third parties may include any suppliers or sub- contractors and their agents

We may disclose your personal data to any respected and contracted GDPR compliant third party.

Details of any third-party operators or other third parties who will be responsible for or supply

you with the services booked or enquired about, may be obtained from us on request, and may

be stated in any other brochure provided by us.

Where we use third parties to host, provide, operate or supply any part of our websites,

databases, systems, business, or services, or carry out on our

behalf any of our business functions or actions (including sending mail, processing payments, providing marketing assistance, providing customer and advertising analysis, and providing customer services), then we may provide your personal data to them as required for use for or processing as part of those purposes.

Where any facility on our website is clearly designed to make certain of your personal data public (e.g. posts you make to any reviews facility), which is provided in circumstance where it is clear that it is intended to be published, will be disclosed to the public accordingly and may be subject to moderation by us.

We may supply personal data to a government authority or regulator where required to comply with a legal requirement, for the administration of justice, for the purposes of customs, visas and immigration, or where reasonably required to protect your vital interests or enforce any booking or other contract. We may disclose your personal data where otherwise required by or permitted by law.

If our customer is a business or organisation, and we are holding your personal data in your capacity as an associate of that business or organisation (including as agent, representative, contact, employee, officer, owner, partner, or director), then we may disclose to them that personal data. If our customer is making a booking or booking enquiry on your behalf, with your authority, then we may disclose to our customer your personal data as reasonably required in connection with such booking or enquiry, or the subsequent performance of or payment for any booking made. If our business is ever transferred to a third party, then your personal data will be transferred to the acquirer to enable them to continue the business.

Where we provide your personal data to a third party one of the following two circumstances will apply:

In some cases, your personal data may be held and otherwise processed by them on our behalf, in which case we will remain responsible for what they do with your personal data, and your personal data will only be held and processed by them in accordance with our instructions and this privacy policy.

In other cases, your personal data may need to be provided to them to be held and processed by them in their own right and on their own account. In such case, they will have their own

responsibility for that personal data, subject to their own privacy policy, and we will not be responsible for what they do with it following disclosure.

We may provide links to a number of other web sites that we believe might offer you useful information and services. However, those sites may not follow the same privacy policies as us.

Therefore, we are not responsible for the privacy policies or the actions of any third parties, including without limitation, any web site owners whose sites may be reached through this Site, nor can we control the activities of those web sites. We urge you to contact the relevant parties controlling these sites or accessing their on-line policies for the relevant information about their data collection practices before submitting any personal information or other sensitive data.

This Privacy Statement does not address, and we are not responsible for, the privacy, information or other practices of any third parties. We have no control over, and are not responsible for, this third party's collection, use and disclosure of your Personal Information. In addition, we are not responsible for the information collection, use, disclosure or security policies or practices of other organisations, such as Facebook, Apple, Google, Microsoft or any other app developer, app provider, social media platform provider, operating system provider, wireless service provider or device manufacturer, including with respect to any Personal Information you disclose to other organisations through or in connection with the Apps or our Social Media pages.

RIGHT OF ACCESS

Our privacy policy is not a contract, nor does it form part of any contract. You have certain non-contractual rights in accordance with legislation. Should you contact us regarding these rights, we are entitled to request proof of your identity before we act, and may refuse to act if you do not provide this.

You may request information on whether we are processing personal data about you, to tell you what personal data we are processing and for what purposes, and to provide you with a copy of your personal data that we hold. We must provide the data request for free unless the request is manifestly unfounded, excessive or repetitive. In these cases, we charge a reasonable fee not exceeding € 6.35 for handling your request. In certain

cases, we may refuse your request and will advise you at the time if this is the case.

All requests must be in writing and may be submitted by e-mail or by post to the contact details listed below and you will receive a response within 30 days of receipt of your written request. Where requests are complex or numerous, we will extend the deadline for providing the information to 3 months. In such cases, we will advise you in writing within the 30-day time period explaining why the extension is necessary.

If you would like to review, correct, update, suppress or delete Personal Information that you have previously provided to us, you may contact us at data@griffingroup.ie.

Correspondence – Correspondence, communications and messages, including between you and us, and between us and third parties, including relating to any booking or booking enquiry, or performance of any contract.

Website Usage Information – We may collect information about your visits to, browsing of, and use of our website, unless your web browser blocks this. The range of data we collect will depend on how you interact with our website. This information may include:

your IP address (a unique identifier allocated to your computer for your connection to the internet); your computer device details (PC, tablet, smartphone, watch etc.); the make and version of web browser (e.g. Internet Explorer, Firefox, Safari, Opera, Chrome) you are using; your operating system (e.g. Windows, Windows Phone, OSX, iOS, Android, Linux etc); your time-zone; your browser plug-ins; any web-page you came from, identified as the referrer web page address by your web browser; cookies; page response times; download error; pages and parts of pages you visit; usage you make of our website, including enquiries and searches undertaken, and registrations for accounts, forums etc.; services and products you viewed; length of visit to website and pages; page interaction information (such as scrolling, keys pressed, mouse clicks, touches, and mouse-overs). This will normally be collected and used anonymously, and aggregated for analysis, with your name and any characteristics identifying you remaining anonymous, but our privacy policy will apply, and it will be treated as your personal data, if this information is in any way linked to you personally This information may also include: data inputted into forms and field; registrations for any accounts, forum, feedback mechanism, social functionality, newsletters or other features of our site; usernames and passwords, log-in / out history, and settings; actions taken within any account or other registration, including view and update and changes to settings; and posts to any forum, feedback, review or other social functionality on our website.

We collect or generate personal data in the following way:

Visiting our website – By visiting and using our website you or your computer may provide

personal data. This includes: information which is automatically provided by your browser to our servers; information record on our web servers about your interaction with our website and pages viewed; information we capture or place on your computer or generate using cookies or other technologies on our website; and information you input into forms and fields on our website.

Data you provide – Your personal data will include data you provide (or later amend), whether: from correspondence with you; verbally to us over the phone or in person; by filling in any field or form on a website; by filling in any printed form we provide you with; by e-mail; from documents you provide use with; and from

updates to any information to provide from time to time. This includes when you: register or subscribe for any service, account, members, or loyalty program, or make an enquiry or booking for a holiday or other travel services whether in person, by phone, through our website or otherwise; send us your comments or suggestions; subscribe to any newsletter or other publication; and request sales and advertising information, including brochures.

Data obtained from third parties – We may obtain personal data concerning you from third parties, including from: providers of any holidays, accommodation, other travel services which are enquired about or booked, and their intermediaries; credit, fraud, identity and other searches we may undertake, including searches with public records and regulatory and private organisations; from any business or organisation you are associated with; from telephone numbers identified by the telephone system when you telephone us.

Data generated by us – We and any suppliers or sub-contractors working for us may generate personal data relating to you, including in connection with responding to and dealing with any enquiry, booking or complaint; or in performing any booking or other contract with you; or through the analysis of your personal data or data gained from your use of our website. We may record telephone calls with you.

COOKIES

Cookies are small text files stored on your device by a web browser (e.g. Internet Explorer) that hold information about your previous visits to our site. On returning to our site this stored information is fed back to us allowing us to offer you a more personal browsing experience. By using our website you consent to cookies being used in accordance with our Cookie Policy. Our comprehensive Cookie Policy is available [here](#).

SECURITY

We (and any affiliate, subcontractor or other person processing your personal data on our behalf) may transfer, store and otherwise process your personal data anywhere in the world. Where we disclose your personal data to third parties, that disclosure may also involve a transfer of your personal data anywhere in the world, and those third parties may themselves transfer, store or otherwise process that information anywhere in the world. In each case, we will comply with any legal requirements

concerning the transfer of your personal data by us to any third party outside the country where we are established, and where your personal data is still controlled by us or is being stored or otherwise processed on our behalf, our security measures will also apply.

We are committed to doing what we reasonably can to keep your personal data secure, and we are obliged by law to put in place appropriate technical and organisational measures against unauthorised or unlawful processing of your personal data and against accidental loss or destruction of, or damage to, your personal data. We have accordingly implemented security policies, rules and technical measures with a view to achieving this:

- We use Secured Socket Layer (“SSL”) software in order to encrypt the personal information that you provide to us whilst it is in transit over the internet. This will work if your browser is SSL enabled (which most are). You can verify that this is working by looking for the symbol of a closed lock or solid key on the bottom bar of your browser window, and checking that the prefix for the web address in the browser address bar has changed from “http” to “https”.

The personal information we collect from you online is stored by us and/or our service providers on databases protected through a combination of physical and electronic access controls, firewall technology and other reasonable security measures.

For your own privacy protection, we encourage you to maintain anti-virus and other malware

protection software on your computers and other devices, and to maintain your own measures to protect your personal data. Please do not include sensitive personal data in any e-mails you may send to us, including payment card information. We also encourage you to be careful about who you give personal data to. We never contact you to ask you for sensitive personal data, such as payment card information, or sensitive personal data such as passport numbers or log-in details, and we will only ask you for such information in person or through our website, or by telephone in connection with a booking you are making or have made. Please let us know if you someone purports to contact you in our name.

USE OF SERVICES BY MINORS

Our website and all the services provided are not intended for individuals under the age of eighteen (18) and we request that they not

do not use our website and do not provide personal information through our website. Our Privacy Statement prohibits us from accepting users who are under the age of 18 and all persons under the age of 18 are directed not to use, post information to or submit queries on this website. Should we inadvertently acquire personal information or other data from users under the age of 18, we will not knowingly provide this data to any third party for any purpose whatsoever, and any subsequent disclosure would be due to the fact the user under age 18 used the website and submitted personal information without solicitation by or permission from us.

ACCURATE, COMPLETE AND UP TO DATE

We are not responsible for ensuring that any personal information submitted by you on or through our website and our online services are accurate and up-to-date. Should you wish to verify whether or not the personal information you provided us with, that is held or may still be held by us is up-to-date, you may contact us at data@griffingroup.ie

Data Protection Officer

Hotel Kilkenny

We will endeavour to respond to your request as soon as reasonably practicable.

ADEQUATE, RELEVANT AND NOT EXCESSIVE

Unless specifically requested, we ask that you not send us, and you not disclose, any sensitive

Personal Information on or through our website and our online services or otherwise to us.

Please note that we may need to retain certain information for recordkeeping purposes and/or

to complete any transactions that you began prior to requesting a change or deletion. There may also be residual information that will remain within our databases and other records, which will not be removed. In addition, there may be certain information to which we are unable to enable you to review, for legal, security, or other reasons.

RETENTION

- We keep your personal data for so long as is reasonably necessary for the purposes for which we use it, and if longer, for any duration required by law, and for statutory claims limitation periods where your personal data may be relevant to any possible liability we may have.

COMPLAINT RESOLUTION MECHANISM

The laws we comply with are regulated by Data Protection Commissioner. If you have a complaint or concern, please feel free to contact us to discuss the matter and we will strive to assist you and resolve your issue.
